Sit Down

Penguin Prison

I was hoping you'd say that you can't think of anything else
And you know it's your fault that you never get anyone's help
But you won't ever stop making everything up when you're down
Get over yourself, no one's gonna pick you up nowWhy don't you leave me alone?
You know it doesn't matter now
So won't you leave me alone?
Why don't you just sit down?UhYou keep on making it a scene and you wear yourself out
'Cause you can't get anywhere if you're only good at yellin' so loud
And there's no other way to explain but I'll give it a try
Just get over yourself, no one wants to hear you talk nowWhy don't you leave me alone?
You know it doesn't matter now
So won't you leave me alone?
Why don't you just sit down?
Oh
Why don't you leave me alone?
You know it doesn't matter now
So won't you leave me alone
You know I just don't care what you think
So won't you leave me alone?
You know it doesn't matter now
So just leave me alone
Why don't you just sit down?
