

# Moonlight Carnival

## Jermaine Stewart

### VERSE 1:

When you're down  
I'll show you how to have some fun  
Dance your blues away  
In joy life and taking all the sun  
Life's a holiday

B-SECTION 1:  
Cause I found out  
The lies about  
So it seems

Time I took advantage  
I'm not here  
To all the fun  
Just follow me

That is where I be

CHORUS:  
Moonlight carnival  
Follow me  
Put your mind at ease  
Moonlight carnival  
It's alright

### VERSE 2:

We can make it good time last all night  
At the perfect spot

I thought this time you realize  
You're here, then you're not

B-SECTION 2:  
Then on misery  
Get the best of me  
I deserve

Don't you stop and all the joy and fun  
Don't forget

Your dancing shoes

You feel so brand new

CHORUS:  
Moonlight carnival

Follow me

Put your mind at ease

Moonlight carnival

It's alright

(It's alright)

Be there tonight

(Come with me, come with me, oh) Moonlight carnival
