That's So Me and You

Thompson Square

You were playin' pool
And I was tryin' to play it cool
Couldn't hide it, couldn't fight it,
I had to ask your nameYour eyes were so blue
Your smile was so cute
Just standing there with your James Dean hair
And your cowboy bootsAnd oh, it sounds a little crazy
Well maybe, but we didn't care
'Cause what happened there
Was a dream come trueAnd oh, it sounds a little funny
Didn't have no money, but we had us and a lot of love
To hold on to
That's so me and you
That's so me and youNext thing you know
We called Tennessee our home
And that sooner sun and those 'Bama stars
Seemed too far awayWe were day and night
In Broadway's neon lights
Didn't know singing for tips in a pickle jar
Would change our lifeAnd oh, it sounds a little crazy
Well maybe, but we didn't care
'Cause what happened there
Was a dream come trueAnd oh, it sounds a little funny
Didn't have no money, but we had us and a lot of love
To hold on to
That's so me and you
That's so me and youWe had our share of slamming doors
Teardrops fallin' on the floor
It's been a roller coaster ride
But it sure feels good
To be here with you
TonightOh, it's all a little crazy
Ain't it baby?
But that's alright
And you know I wouldn't change it for anythingAnd oh, it's all a little funny
We didn't have no money, but we had us and a lot of love
To hold on to
That's so me and you
That's so me and you

That's so me and youSo me and you
Me and you
