

Can You Do This

Aloe Blacc

Grab your shotgun
Cock it back
Shoot the sun until the sky is black
Now I sure hope that the sun got rhythm
'Cause he gonna dance when that music hit'm
Like bang, bang, bang darkness falls
In the nighttime I'm camouflage Now I-I-I-I, don't know who you are
But girl I wanna know if you can move like this
And I-I-I-I, don't know if you gonna tell me
But I wanna know what your name is
And you-you-you-you
Gonna make me fall in love with you
If you keep on shaking your hips Now can you do this
(Yeah, I can do that)
Can you do this
(Yeah, I can do that)
Can you do this
(Yeah, I can do that)
Can you do this
(Yeah, I can do that)
I know you think that you can move
But can you groove the way I groove Grab your slingshot
Find a stone
Shoot the moon until the night is gone
Now I sure hope that moon got rhythm
'Cause he gone rock and when my stone hit'm
Like boom, boom, boom let me shine
He should know that the day is mine Now I-I-I-I, don't know who you are
But girl I wanna know if you can move like this
And I-I-I-I, don't know if you gonna tell me
But I wanna know what your name is
And you-you-you-you
Gonna make me fall in love with you
If you keep on shaking your hips Now can you do this
(Yeah, I can do that)
Can you do this
(Yeah, I can do that)
Can you do this
(Yeah, I can do that)

Can you do this
(Yeah, I can do that)
I know you think that you can move
But can you groove the way I groove Now why you're standing on the wall?
Did you come to dance it off?
I'm watching you girl watching me
If you got moves then let me see Can you do this?
Can you do this lady?
Can you do this?
Can you move like I do?
Can you do this?
Can you shake, shake it mama?
Can you do this?
Can you break it on down? Can you do this
(Yeah, I can do that)
Can you do this
(Yeah, I can do that)
Can you do this
(Yeah, I can do that)
Can you do this
(Yeah, I can do that)
I know you think that you can groove
But can you move the way I move
