Can You Do This

Aloe Blacc

Grab your shotgun Cock it back

Shoot the sun until the sky is black

Now I sure hope that the sun got rhythm

'Cause he gonna dance when that music hit'm

Like bang, bang, bang darkness falls

In the nighttime I'm camouflageNow I-I-I-I, don't know who you are

But girl I wanna know if you can move like this

And I-I-I, don't know if you gonna tell me

But I wanna know what your name is

And you-you-you

Gonna make me fall in love with you

If you keep on shaking your hipsNow can you do this

(Yeah, I can do that)

Can you do this

(Yeah, I can do that)

Can you do this

(Yeah, I can do that)

Can you do this

(Yeah, I can do that)

I know you think that you can move

But can you groove the way I grooveGrab your slingshot

Find a stone

Shoot the moon until the night is gone

Now I sure hope that moon got rhythm

'Cause he gone rock and when my stone hit'm

Like boom, boom let me shine

He should know that the day is mineNow I-I-I-I, don't know who you are

But girl I wanna know if you can move like this

And I-I-I, don't know if you gonna tell me

But I wanna know what your name is

And you-you-you-you

Gonna make me fall in love with you

If you keep on shaking your hipsNow can you do this

(Yeah, I can do that)

Can you do this

(Yeah, I can do that)

Can you do this

(Yeah, I can do that)

Can you do this

(Yeah, I can do that)

I know you think that you can move

But can you groove the way I grooveNow why you're standing on the wall?

Did you come to dance it off?

I'm watching you girl watching me

If you got moves then let me seeCan you do this?

Can you do this lady?

Can you do this?

Can you move like I do?

Can you do this?

Can you shake, shake it mama?

Can you do this?

Can you break it on down? Can you do this

(Yeah, I can do that)

Can you do this

(Yeah, I can do that)

Can you do this

(Yeah, I can do that)

Can you do this

(Yeah, I can do that)

I know you think that you can groove But can you move the way I move
