

God is There (feat. Rhonda Vincent)

[Lizzy Long](#)

GOD IS THERE

Joel Lindsey

Wayne HaunShe placed a rose

beside the stone

she turned and walked

away alone

it feels so wrong

that life goes on

but God is there.The children laugh

the traffic roars

life goes fast

and runs its course

but through each breath

and through the noise

God is there.and life is good

in spite of it

sometimes fleeting,

delicate

but through the joy

and through the grief

through our faith

and disbelief

when it's good

or so unfair

He is never unaware
