A Kiss Won't Make This Better

Lorene Drive

You put so much effort into it
Does it feel good to hurt someone
Trying to make you proud, you proud?You put so much effort into it
Does it make you feel good?
A kiss won't this make this better
This is my last goodbyeA kiss won't make this better
A kiss won't make this right
I know you got my letter
Just unlock the doorAre you sitting down?
I think you might want to
It seems you have everything under control
This is my life, one thing to hold on toYou put so much effort into it
Does it make you feel good?
A kiss won't this make this better
This is my last goodbye
This is my last goodbye to youA kiss won't make this better
A kiss won't make this right
You won't kiss away [Incomprehensible]
You can't, you won't make this right
Make this betterYou put so much effort into it
Does it make you feel good?
A kiss won't this make this better
This is my last goodbye
