

# The Promise.

## When In Rome

If you need a friend  
Don't look to a stranger  
You know in the end  
I'll always be there And when you're in doubt  
And when you're in danger  
Take a look all around  
And I'll be there I'm sorry but I'm just thinking of the right words to say  
(I promise you)  
I know they don't sound the way I planned them to be  
(I promise you)  
But if you wait around a while I'll make you fall for me  
(I promise you)  
I promise, I promise you, I will When your day is through  
And so is your temper  
You know what to do  
I'm gonna always be there Sometimes if I shout  
It's not what's intended  
These words just come out  
With no cross to bear I'm sorry but I'm just thinking of the right words to say  
(I promise you)  
I know they don't sound the way I planned them to be  
(I promise you)  
But if you wait around a while I'll make you fall for me  
(I promise you)  
I promise, I promise you I'm sorry but I'm just thinking of the right words to say  
(I promise you)  
I know they don't sound the way I planned them to be  
(I promise you)  
And if I had to walk the world I'd make you fall for me  
I promise you, I promise you I will Gotta tell you  
Need to tell you  
Gotta tell you  
I've gotta tell you I'm sorry but I'm just thinking of the right words to say  
(I promise you)  
I know they don't sound the way I planned them to be  
(I promise you)  
But if you wait around a while I'll make you fall for me  
(I promise you)  
I promise, I promise you I'm sorry but I'm just thinking of the right words to say

(I promise you)  
I know they don't sound the way I planned them to be  
(I promise you)  
And if I had to walk the world I'd make you fall for me  
I promise you, I promise you I will  
I will, I will
