Light Up the Sky

The Afters

When I'm feeling all alone
There's so far to go
The signs are no where on this road
Guiding me home
When the night is closing in
It's falling on my skin
Oh God will you come close?

Light light light up the sky
You light up up the sky to show me
That you are with me
I I I can't deny
No I can't deny
That you are right here with me
You've opened my eyes
So I can see you all around me
Light light light up the sky
You light up the sky to show me
That you are with me

When stars are hiding the clouds
I don't feel them shining
When I can't see beyond my doubt
The silver lining
When I've almost reached the end
Like a flood you're rushing in
Your love is rushing in

Light light light up the sky
You light up up the sky to show me
That you are with me
I I I can't deny
No I can't deny
That you are right here with me
You've opened my eyes
So I can see you all around me
Light light light up the sky
You light up the sky to show me

That you are with me

So I run, straight into your arms
You're the bright and morning sun
To show your love there's nothing
You won't do
(you won't do)

Light light light up the sky
You light up up the sky to show me
you are with me
I I I can't deny
No I can't deny
That you are right here with me
You've opened my eyes
So I can see you all around me
Light light light up the sky
You light up the sky to show me
That you are with me

Oh oh oh oh oh oh oh oh oh oh oh
That you are with me
Oh oh o o oh oh oh oh oh oh oh oh
That you are with me
Oh oh o o oh oh oh oh oh oh oh oh
