Coming Home

New Found Glory

I've been stuck in this whirlwind
My life's been spinning 'round my head
Long distance conversations
Make up for me not being thereAnd now I'm coming home
I'm coming home to you again
I hope you feel the sameNow I'm coming home
I'm coming home to you again
I hope things haven't changed
Singing oh, oh, ohI've been locked inside this freight train
Unaware of the normal life I had
Frustration building a foundation
I wrote this song to let you know
That I'll be backAnd now I'm coming home
I'm coming home to you again
I hope you feel the sameNow I'm coming home
I'm coming home to you again
I hope things haven't changed
Screaming oh, oh, oh
I hope you feel the sameI can't stop, can't stop thinking
About what you do when you're alone
Let's cut right to the chase, girl
Take back the time, time that we've lost
Time we've lostComing home
I'm coming home to you again
I hope you feel the sameNow I'm coming home
I'm coming home to you again
I hope things haven't changed
Screaming oh, oh, oh
I hope you feel the sameComing home
I'm coming home to you again
I hope you feel the sameComing home
I'm coming home to you again
I hope you feel the sameComing home, coming home, coming home
I'm coming home to you again
I hope you feel the sameComing home
I'm coming home to you again
I hope you feel the same
I hope things haven't changed
I hope you feel the sameComing home

I'm coming home to you again
I hope you feel the same
