Man In Mind

Ida

why pick a fight or lie awake all night doubting
the worst of what you might do is half as bad as what ive done
the worst of what we might do is half as bad as what we've doneman in mind
might rob you blind
but you'll like the ride
you can hide
but im right by your side
i will try to be kind
i will try to be kind
but im taking only what i wanti want to bury my body
and i wont hurt your heart
dont build around me
cause ill only tear it down
dont build around me ill only tear it down
man in mind
might rob you blind
but you like the ride
you can hide but im right by your side
i will try to be kind
i will try to be kind
but im taking only what i want
