

So In Love With You

Texas

I'm so in love with you
I'm so in love with you
Whether it is right or it's wrong
I'm too weak to be strong
I'm so in love with you Well, you say you need something
To help you when you're down
To take your fears away
Yeah, you say you'd do anything
To keep your feet off the ground
And help you on your way Yeah, you're all I need
Yeah, you are all that I need I'm so in love with you, yeah
I'm so in love with you
Whether it is right or it's wrong
I'm too weak to be strong
I'm so in love with you When you see your reflection
You say it isn't you
And then you turn the other way, yeah yeah
And I'm watching you suffer
Yourself and your pain
So please don't fade away Yeah, you're all I need
Yeah, you are all that I need I'm so in love with you
I'm so in love with you
I'm so in love now yeah
I'm so in love with you
I'm so in love with you, oh yeah You gotta tell me
You know you gotta tell me
Whether it is right or it's wrong I gotta know
I gotta know
I'm so in love with you
You gotta tell me I'm so in love with you, yeah
I'm so in love with you
Whether it is right or it's wrong
I'm too weak to be strong
I'm so in love with you, oh yeah
