

Twins Theme

Dan Fogelberg & Tim Weisberg

{ Please welcome Tim Weisberg
We're gonna feature Tim on a couple o' numbers that we did back in 1978
On a record called 'Twin Sons Of Different Mothers'
My God! They remember it!
We look nothing alike!
Twin sons of different hairdressers
We're gonna feature Tim on a couple o' numbers on road for their record
The first one's called 'Twins Theme'
And the second one is 'Intimidation'}
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
