

# Close to You

**Tina Arena**

Why do birds suddenly appear every time you are near?  
Just like me, they long to be close to you  
Why do stars fall down from the sky every time you walk by?  
Just like me, they long to be close to you  
On the day that you were born, the angels got together  
And decided to create a dream come true  
So they sprinkled moon dust in your hair of gold  
And stardust in your eyes of blue  
That is why all the girls in town follow you all around  
Just like me, they long to be close to you  
On the day that you were born, the angels got together  
And decided to create a dream come true  
So they sprinkled moon dust in your hair of gold  
And starlight in your eyes of blue  
'Cause that is why all the girls in town follow you all around  
Just like me, they long to be close to you  
Just like me, they long to be close to you  
Close to you, close to you, they wanna be close to you  
Close to you, close to you, close to you  
I am close to you, close to you  
I wanna be close to you, close to you, close to you  
I wanna be, baby, I wanna be, I wanna be close to you
