# Drowning (Mecca Kalani)

## Willow Smith

Do you wanna hear a love story?
Well, once upon a time, there was a girl
All she ever did was pick out the scars that he left
On her heart
And she bleed reliving the sweet words in terrible hurt
She gave him her heart
And so did he
But when we ripped the cord between his heart and hers
She fell to her knees and disbeliefChorus:
And she was drowning in the middle of his ocean
She loved him, she was drowning
He drowned her in her sorrows
But he'd scared to love another, but he drowned her
And he's staring at her body in the river of eternal loveBlue eyes, red lips, pale skinHe left her, standing in the middle of the street
Yes he left her, as she cried out so desperately
And he dropped her
As she fell into his trap, she could never let go of that
But he caught her
(yes she caught her)
And as soon as she got up, he pushed her awayChorus:
And she was drowning in the middle of his ocean
She loved him, she was drowning
He drowned her in her sorrows
But he'd scared to love another, but he drowned her
And he's staring at her body in the river of eternal loveI dropped a tear in the ocean
And the day that you find it
I'll stop loving you, loving you
His eyes told me the truth
But his words fed me lies
And by the time she was drowning
In the middle of his ocean
She loved him, she was drowning
He drowned her in her sorrows
Cause he'd scared to love another, but he drowned her
And he's staring at her body in the river of eternal love
