

# Ride Wit U (Phunkface Bootleg)

## Joe

Everybody say ah, ah

Yeah, its 50 cent

And Lloyd Banks

And Young Buck

Yeah, and Joe

G-Unit!

Everybody say (la la la la la la la la la la la)

Rock 'n' roll wit ya to the cover

We'll still hit the blocks and I'm sold with you

Can you picture me and you not even friends no crew

We can do whatever you wanna do

I'll take your mind off whatever you going through

Just sit back and relax to the sound of the sax, I'm hood

But that don't mean I ride around with the rats

I work and make the music lose a

Couple pounds in the sack Look at what we got right here

Such a work of art

Someone I'll give my heart

Do anything that's what I do

Just so that she would be mine

I'll give her all my time

Every part of me my mind

Soul and my body were inseparable [Chorus]

Ride wit u, lie wit u

I wanna move with u, move with u, move with u

I wanna fly with u, ride with u, lie with u

I wanna move with u, move with u, move with u

I wanna ride Your the type that just don't care

If its you I want

Then I'm gonna come and get you

And see what's really good with you

Please believe I'll take you there

But first let's see if you're intellectual

Matches up with your physical baby [Chorus] Come on and ride with a thug we can do what you like

A baller baby you see the blue in my ice

Drop the top and let your head blow back

Them J. Lo jeans girl that ass so fat

Puff know just what to do with all that

Chest to chest so I'll hit it from the back

I do it like a pro won't nobody know  
Lets pop some more ride and listen to JoeI just want to let u know that  
That oh you're so beautiful (you're so beautiful)  
And that nothings impossible  
The places that we can go (we can go anywhere baby)  
I just want to let you know  
That oh you're so beautiful (you're so beautiful)  
And that nothings impossible  
The places that we can go (we can go anywhere baby)[Chorus: x2]I just want to let u know that  
That oh you're so beautiful (you're so beautiful)  
And that nothings impossible  
The places that we can go (we can go anywhere baby)  
I just want to let you know  
That oh you're so beautiful (you're so beautiful)  
And that nothings impossible  
The places that we can go (we can go anywhere baby)
