

State of Independence

Donna Summer

State of life, may I live? May I love?
Coming out the sky, I name me a name
Coming out silver word for what it is
It is the very nature of the sound, the gameShablamidi, shablamida
Shablamidi, shablamida
Shablamidi, shablamidaSiamese, Indonese, to Tibet
Treat the life as a game, if you please, hey
Coming up Caribee such a freedom
Derives from a meditative state
Movin' on, believe that's it, call it magic
Third World, it is, I only guessed itShablamidi, shablamida
Shablamidi, shablamida
Shablamidi, shablamidaShablamidi, shablamida
Shablamidi, shablamida
Shablamidi, shablamidaShot to the soul, the flame of Oroladian
Essence of the word
The state of independenceSounds like a signal from you
Bring me to meet your sound
And I will bring you to my heartLove, like a signal you call
Touching my body, my soul
Bring to me, you to meet me hereHome, be the temple of your heart
Home, be the body of your love
Just like holy water to my lips
Hey, heyYes, I do know how I survive
Yes, I do know why I'm alive
To love and be with you
Day by day by day by dayTime, time again, it is said
We will hear, we will see
See it all in His wisdom, hearHis truth will abound the land
This truth will abound the land
This state of independence shall be
This state of independence shall beSay, yeah e yay, yeah e yo
Yeah e yay, yeah e yo
Be the sound of higher love today
Yeah e yeah
Hey, heyTime, time again, it is said
We will hear, we will see
See it all in His wisdom hearHis truth will abound the land
This truth will abound the land

This state of independence shall be
This state of independence shall beThis state of independence shall be
This state of independence shall be
This state of independence shall be
