We Up (feat. Sebastian Mikael)

Driicky Graham

Driicky, Graham.
Sebastian, Mikael.Girl I need somebody,
who will stand by my side;
always ride with me.
Through the good times and the bad times...
When I was down, you were down. You and I,
Now we up, we up
Oh, and i'ma lay it down.
We up, we up.
Girl i'ma keep you on the ground.
We up, we up.
Look at where we at now
F--- what anybody say
you will always be around.
