Impact

Stick to Your Guns

I make an impact on lives
Through truth as well as lies
I overcome your eyes and
Leave an etched memory foreverIt's my gift, my intentions are
Only well, its my gift
Fine, fine
Fine, fineI lead people everyday
Always in the correct way
Never lead astray, and
Leave an etched memory foreverIt's my gift, my intentions are
Only well, its my gift
Fine, fine
Fine, fineAn open mind is hard to find
An open mind is hard to find
An open mind is hard to find
An open mind is hard to find
An open mind is hard to find
An open mind is hard to find
An open mind is hard to find
An open mindI make an impact on lives
Through truth as well as lies
I overcome your eyes and
Leave an etched memory foreverIt's my gift, my intentions are
Only well, its my gift
Fine, fine
Fine, fine
