Fine Day

Dallas Superstars

If I believed everything that you said,
Then I'd never go outside.
And if you completely showed yourself to me,
Then I'd never go outside.
Fine day if you're not me.
Fine day to sleep.
If the sun came and it wouldn't go away,
Then I'd never go outside.
I've got no time for your Sunday afternoons,
And I'll never go outside.
Fine day...
