

Venice Queen

Red Hot Chili Peppers

Does it go from east to west
Body free and a body less
Come again just to start afresh
Once again to find a home
In the moment of the meantime

Dropping in coming through the mesh
Checking in just to get it blessed
Hard to leave when its picturesque
Find a form thats free to roam
Where you come from
Where you going

Do it all then it all again
make it up and you make a friend
paddle on just around the bend
find a place where you can see
all the mamas and the papas

take a chance on a reccomend
hard as hell just to comprehend
disbelief that i do suspend
easy now to find a breeze
where you come from
where you going

we all want to tell her
tell her that we love her
venice gets a queen
best ive ever seen
we all want to kiss her
tell her that we miss her
venice gets a queen
best ive ever seen

I know you said you dont believe
in god do you still disagree
now that its time for you to leave
G-L-O-R-I-A
is love my friend

your stylish mess of silve hair
A woman of your kind is rare
your uniform returns to fur
G-L-O-R-I-A
is love my friend

and now its time for you to go
you taught me most of what i know
where would i be without you glo
G-L-O-R-I-A
is love my friend

i see you standing by the sea
the waves you make will always be
a kiss goodbye before you leave
G-L-O-R-I-A
is love my friend
