Brand New Hero

Reel Big Fish

I've got big dreams but no self-esteem, you know?
I'd reach for the stars but I can't find my arms
All this time we've accomplished so much
Why can't I believe? Why can't I just feel love?
Goin' away, leavin' today
You've gotta find a brand new hero
Goin' away, leavin' today
You've gotta find a brand new hero
I let you down when you're not around you know
I can't be trusted with anything
All this time we've wanted so much
To just belong, why can't we just feel love?
Goin' away, leavin' today
You've gotta find a brand new hero
Goin' away, leavin' today
You've gotta find a brand new hero

What will they say when I've gone away?
Gotta find a brand new hero
Always talking but I never say a lot
And I'll blow it if I get another shot
'Cause it seems like no matter what I've got
It feels like it's nothing, I feel like I'm nothing
Goin' away, leavin' today
You've gotta find a brand new hero
Goin' away, leavin' today
You've gotta find a brand new hero
What will they say when I've gone away?
Gotta find a brand new hero
Brand new hero
Brand new hero
Brand new hero
