

# Wide Awake

## Lacuna Coil

The rebel inside, a mind of my own  
I haven't felt right since the moment that I gave up  
I challenged my limits, I'm feeling I'm becoming limitless  
I take it all in and inhale I'm wide awake  
Open my eyes and the sky's so blue  
All of a sudden I know that I treasure my life  
I find myself wide awake like you The struggle within now I understand  
Freedom begins when you get out of the cage you built  
It looks like I'm crazy but I'm not the only one  
To believe in myself, believe in myself  
I won't becoming undone 'Cause I feel like I'm wide awake  
Open my eyes and the sky's so blue  
All of a sudden I know that I treasure my life  
I find myself wide awake like you
