

She Brings The Lightnin' Down

[John Rich](#)

One look and you know whats coming
Storm cloud is moving in
Aint no use in running
Just take it like a man Oh, Lord, what have you started
Cold front is settin in
Shelter, no, you cant find it
Judgment day is here again Oh, you better find some cover
Ooh, when you hear that rumblin sound
Mmm, 'cause there aint no warning
Oh, when your woman comes unwound yeah
She brings the thunder, she brings the lightning down The straight line that youve been walking
Lately is wearing thin
You cant help but cross it
Every now and then Oh, you better find some cover
Ooh, when you hear that rumblin sound
Mmm, 'cause there aint no warning
Oh, when your woman comes unwound yeah
She brings the thunder, she brings the lightning down Oh, you better find some cover
Ooh, when you hear that rumblin sound
Mmm, 'cause there aint no warning
Oh, when your woman comes unwound, yeah
She brings the thunder, she brings the lightning down
