Hearts Go Crazy

Parachute

I want your love
I want your heart
They try so hard to keep us apart
They say I will treat you bad
But imma be the best thing you've ever had
I'm gasoline and you're the spark
You set me off here in the dark
In your kiss, your fingertips
We get too close
We'll be burning out of controlYoung hearts go crazy
Just do what you came to do
Let your love never come down
It belongs to me and you, me and you, me and you
Young hearts go crazy
With the sound of something new
Young hearts go crazy
Me and you, me and you, me and you, me and youYou give me a little high
All I need to get me by
Say the word, I cut the tie
If we can run
If we can run I know we can flyYoung hearts go crazy
Just do what you came to do
Let your love never come down
It belongs to me and you, me and you, me and you
Young hearts go crazy
With the sound of something new
Young hearts go crazy
Me and you, me and you, me and you, me and youYou give me a little high
All I need to get me by
Say the word, I cut the tie
If we can run
If we can run I know we can fly (fly)Young hearts go crazy
Just do what you came to do
Let your love never come down
It belongs to me and you, me and you, me and you
Young hearts go crazy
With the sound of something new
Young hearts go crazy

Me and you, me and you, me and you, me and you
