Between Me And You

Ja Rule

Now every little thing that we do, that we do
Should be between me and you, me and you
The freaky things that we do, that we do
Let's keep between me and you, me and you
'Cause every little thing that we do, that we do
Should be between me and you, me and you
The freaky things that we do, that we do
Let's keep between me and you, baby
Yo now when I first met her all I thought was thong thong-thong
Like, 'lose the lame, we can get our freakin' on'
Baby know the game, slip away, and slide me yo' number
It's the last day of spring, see you first day this summer
I'm a bad motha shut yo' mouth pull the drop out
Creep at a low speed 'cause homey probably know me
I push the pedal, thoughts of your stilleto
Way up in the air like I think he's here
'Cause see, every time that I'm alone with you, with you
Homey be checkin' up on you, on you
But if that nigga only knew, only knew
You've got a lot of freak in you, baby
Well now it's startin' to rain, I pop the roof and the champagne
How Jay said, "Money ain't a thing"
It's been close to few, something even impossible
But, it's been between me and you, baby
Now every little thing that we do, that we do
Should be between me and you, me and you
The freaky things that we do, that we do
Let's keep between me and you, me and you
'Cause every little thing that we do, that we do
Should be between me and you, me and you
The freaky things that we do, that we do
Let's keep between me and you, baby
Girl it's on again every year we hummer 'em in
Beaches, houses, hoes, foes, friends
And when the day ends that's when it all begins
You wit him here's my room key holla at me
While you thinka think I'ma hit it up
Then look at the nigga you thinkin' you love c'mon love
We could go there me and you creep off all night

If you love it, in the mornin' awake with new light
If you lookin' like I ain't gonna handle his

Let me handle my bizzz, it is what it is
Nigga livin' his life and that's my bitch
You know I gotta wife, let's keep this thing tight, baby
Now every little thing that we do, that we do
Should be between me and you, me and you
The freaky things that we do, that we do
Let's keep between me and you, me and you
'Cause every little thing that we do, that we do
Should be between me and you, me and you
The freaky things that we do, that we do
Let's keep between me and you, baby
Don't let the word get out baby
This is strictly between me and you baby
If they knew we were doin' what we were doin' it'd probably ruin
Our creep away summer in Cancun's-and I, love
The way we get away throw away a whole day
Turn off the pagers and phones, we in the zone like
Fuck life, we live life, this is our life, live your life
'Cause see, every time that I'm alone with you, with you
Shorty be checkin up on you, on you
But if baby girl only knew, only knew
You've got a lot of freak in you baby
Did I ever tell you my man love what you do
That little thing with yo' tongue you the best, who knew?
It's been close a few, at times even impossible
But, it's been between me and you, baby
Now every little thing that we do, that we do
Should be between me and you, me and you
The freaky things that we do, that we do
Let's keep between me and you, me and you
'Cause every little thing that we do, that we do
Should be between me and you, me and you
The freaky things that we do, that we do
Let's keep between me and you, baby
That we do
Me and you
That we do
Me and you
That we do
Me and you
That we do
Me and you
