Platonic

Iggy Pop

Strategic angles indirectly revealed Uniting human form and manufactured heels Go buy in a hurry, buying your chance You give your best by loving a classic Immoderation seems to suit her best But then I turn around and she's very delicate Go buy in a hurry, get all you can Give her your best [unverified] Time has no pull on her soul When she is here I'm her doorman I'm [unverified] Oh, the coronation when she walks by Even if it's private makes you end your mind Buy in a hurry, go get all you can You give your best for loving a classic For loving a classic, for loving a classic
