You Shouldn't Do That

Sal Mineo

Why do you torture my heart this way?
You're makin' me cry night and day
You got me shakin' from my shoes to my hat
Well, you
You shouldn't do that!

How can you say that you love me so?
When I try to kiss you, you tell me no
When I squeeze, you scratch like a cat
And well, oh, you
You shouldn't do that!

Well, you shouldn't do that
Well, you know that you shouldn't do that

Just one little hug
Flyin' around like a lightning bug
And, mmm, if ever we wed
I'd flip my lid, I'd lose my head

Won't you make me feel so fine?
Please little baby, say you're mine
Come on, honey, don't leave me flat
Cause you
You shouldn't do that!

Well, you shouldn't do that
Well, you know that you shouldn't do that

Just one little hug
Flyin' around like a lightning bug
And, mmm, if ever we wed
I'd flip my lid, I'd lose my head

Won't you make me feel so fine
Please little baby, say you're mine
Come on honey, don't you leave me flat
Cause you
You shouldn't do that!

Well, you shouldn't do that
Well, you know that you shouldn't do that!

Oh baby, don't do that!
