

Motivation

[Sheryl Crow](#)

Advisory - the following lyrics contain explicit language:

Little white girl in a shiny black car
Hanging out with her friends and doing black tar
Daddy pays for the wedding with a fist full of dollars
Cost as much as the state of Guatemala, oh, why even try? Well, I got a big car and a flat screen TV
All my loser friends and my boyfriends family
Bring bags of food and watch reality freak shows
Everybodys faking it but nobody thinks so, why even try? Got no grease on my hands
Got no serious plans
Whole worlds waiting for me
Cause all I gotta do is get it for free Got no reason to bitch
Aint no parties Ive missed
Got to have it that way
Cause baby, I got motivation, motivation Skinny young dude in a hundred dollar tee shirt
In King James kicks and a brand new manicure
Hotties doing pilates with the snotties and the pleasers
Sneaking in the back door at Coconut Teasers, why even try? Well, I dropped out of school when I was seventeen
Cause I didnt have time to study my magazines
Cause theres a lot to learn from the privileged few
Like how to build a brand wearing high heeled shoes, oh, why even try? Got no grease on my hands
Got no serious plans
Whole worlds waiting for me
Cause all I gotta do is get it for free Got no reason to bitch
Aint no parties Ive missed
Got to have it that way
Cause baby, I got motivation, motivation Im gonna own this town
Im gonna own this town
Im gonna own this town
Yeah, its all mine, oh, why even try? Got no grease on my hands
Got no serious plans
Whole worlds waiting for me
Cause all I gotta do is get it for free Got no reason to bitch
Aint no parties Ive missed

Got to have it that way
Cause baby, I gotGot no grease on my hands
Got no serious plans
Whole worlds waiting for me
Cause all I gotta do is get it for freeGot no reason to bitch
Aint no parties Ive missed
Got to have it that way
Cause baby, I got motivation, motivation
Motivation, motivation
