## **Motivation**

Advisory - the following lyrics contain explicit language:

Little white girl in a shiny black car

Hanging out with her friends and doing black tar

Daddy pays for the wedding with a fist full of dollars

Cost as much as the state of Guatemala, oh, why even try? Well, I got a big car and a flat screen TV

All my loser friends and my boyfriends family

Bring bags of food and watch reality freak shows

Everybodys faking it but nobody thinks so, why even try? Got no grease on my hands

Got no serious plans

Whole worlds waiting for me

Cause all I gotta do is get it for freeGot no reason to bitch

Aint no parties Ive missed

Got to have it that way

Cause baby, I got motivation, motivationSkinny young dude in a hundred dollar tee shirt

In King James kicks and a brand new manicure

Hotties doing pilates with the snotties and the pleasers

Sneaking in the back door at Coconut Teasers, why even try? Well, I dropped out of school when I was seventeen

Cause I didnt have time to study my magazines

Cause theres a lot to learn from the privileged few

Like how to build a brand wearing high heeled shoes, oh, why even try? Got no grease on my hands

Got no serious plans

Whole worlds waiting for me

Cause all I gotta do is get it for freeGot no reason to bitch

Aint no parties Ive missed

Got to have it that way

Cause baby, I got motivation, motivationIm gonna own this town

Im gonna own this town

Im gonna own this town

Yeah, its all mine, oh, why even try? Got no grease on my hands

Got no serious plans

Whole worlds waiting for me

Cause all I gotta do is get it for freeGot no reason to bitch

Aint no parties Ive missed

Got to have it that way
Cause baby, I gotGot no grease on my hands
Got no serious plans
Whole worlds waiting for me
Cause all I gotta do is get it for freeGot no reason to bitch
Aint no parties Ive missed
Got to have it that way
Cause baby, I got motivation, motivation
Motivation, motivation
