Sugar

Quasi

You can't make a giant
Just by stretching out a dwarf.
One person's beauty mark is
Another person's wart.
Just a spoonful of sugar makes the poison go down fine,
It makes the poison go down fine.
If everything is a movie just projected in your head,
You can have a seat &
Simply swallow what you're fed.
And you can spend a lifetime
Painting pictures for the blind
Just painting pictures for the blind.
A blank piece of paper is better than a book.
What you gave is worse than what you took.
But a spoonful of sugar makes the poison go down fine
It makes the poison go down fine
