101

Albert Hammond, Jr.

Though, it took me by surprise One by one, I realized

There was somethin', I could doI lost my way, that's what she said

Back to the 101

If we don't know, somewhere to go

Back to the 101I never said, to feel relaxed

I never said, to love me back

What was I next to you? And in my mind, it all goes black

Lost control of what I had

All my thoughts, left one by oneI lost my way, that's what she said

Back to the 101

Back to the one, another one

Back to the 101I count the one

I count the one

I count the 101I count the one

I count the one

I count the 101I know

(I count the one)

Llost

(I count the one)

My way

(I count the 101)This time

(I count the one)

We?ll find

(I count the one)

A place

(I count the 101)I know

(I count the one)

I lost

(I count the one)

My way

(I count the 101)This time

(I count the one)

We?ll find

(I count the one)

A place

(I count the 101)
