

To Be With You (Live)

Mr. Big

Hold on, little girl
Show me what he's done to you
Stand up, little girl
A broken heart can't be that bad
When it's through, it's through
Fate will twist the both of you
So come on, baby, come on over
Let me be the one to show you

I'm the one who wants to be with you
Deep inside I hope you'll feel it too
Waited on a line of greens and blues
Just to be the next to be with you

Build up your confidence
So you can be on top for once
Wake up. Who cares about little boys
That talk too much?
I've seen it all go down
The game of love was all rained out
Let me be the one to hold you

I'm the one who wants to be with you
Deep inside I hope you'll feel it too
Waited on a line of greens and blues
Just to be the next to be with you

Why be alone when we can be together, baby?
You can make my life worth while
I can make you start to smile
When it's through, it's through
And fate will twist the both of you
Let me be the one to show you

I'm the one who wants to be with you
Deep inside I hope you'll feel it too
Waited on a line of greens and blues
Just to be the next to be with you
I'm the one who wants to be with you

Let me be the one to show you

I'm the one who wants to be with you

Deep inside I hope you'll feel it too

Waited on a line of greens and blues

Just to be the next to be with you

I'm the one who wants to be with you

Let me be the one to show you
