

All Around the World (Live In Manchester)

Lisa Stansfield

I don't know where my baby is
But I'll find him, somewhere, somehow
I've got to let him know how much I care
I'll never give up looking for my baby
Been around the world and I, I, I
I can't find my baby
I don't know when, I don't know why
Why he's gone away
And I don't know where he can be, my baby
But I'm gonna find him
We had a quarrel and I let myself go
I said so many things, things he didn't know
And I was oh oh so bad
And I don't think he's comin' back, mm mm
He gave the reason, the reasons he should go
And he said things he hasn't said before
And he was oh oh so mad
And I don't think he's comin' back, comin' back
I did too much lyin', wasted too much time
Now I'm here a'cryin', I, I, I
Been around the world and I, I, I
I can't find my baby
I don't know when, I don't know why
Why he's gone away
And I don't know where he can be, my baby
But I'm gonna find him
So open hearted, he never did me wrong
I was the one, the weakest one of all
And now I'm oh oh so sad
And I don't think he's comin' back, comin' back
I did too much lyin', wasted too much time
Now I'm here a'cryin', I, I, I
Been around the world and I, I, I
I can't find my baby
I don't know when, I don't know why
Why he's gone away
And I don't know where he can be, my baby
But I'm gonna find him
Been around the world and I, I, I
I can't find my baby
I don't know when, I don't know why
Why he's gone away
And I don't know where he can be, my baby
But I'm gonna find him
I'm gonna find him, my b-b-baby
I did too much lyin', wasted too much time
Now I'm here a'cryin', I, I, I
Been around the world and I, I, I
I can't find my baby
I don't know when, I don't know why
Why he's gone away

And I don't know where he can be, my baby
But I'm gonna find him I've been around the world, lookin' from my baby
Been around the world, and I'm gonna
I'm gonna find him
Been around the world and I, I, I
I can't find my baby
I don't know when, I don't know why
Why he's gone away
And I don't know where he can be, my baby
But I'm gonna find him
