

The Long And Winding Road

Will Young

The long and winding road
That leads to your door
Will never disappear
I've seen that road before
It always leads me here
Leads me to your door
The wild and windy night
That the rain washed away
Has left a pool of tears
Cryin' for the day
Why leave me standin' here?
Let me know the way
Many times, I've been alone
Many times, I've cried
Anyway, you'll never know
The many ways, I've tried
But still they lead me back to the
Long, winding road
You left me standin' here
A long, long time ago
Don't leave me waitin' here
Lead me to your door
Still they lead me back
To the long winding road
You left me standing here
A long, long time ago
Don't leave me waitin' here
Lead me to your door
