

I Wanna Luv U

Nb Ridaz

[Intro] If I tell you that I love you and I put my trust in you, If I say that every minute all I do is think of you. Will you do the same for me, are you really down for me Let me know just how you feel And would you give it all for me

[Verse 1] How would you feel if I told you All I ever do Is reminisce of the times that I spent with you, Rollin' through the park on a Sunday afternoon Dedicate the slow songs to say that I love you. This is for my honey with the pretty brown eyes. Never givin up on me - never tellin' lies . Making promises together we ride. I put this one on everything I'm glad she's mine. And I Love it when we're all alone. Never miss a beat on a slow jam song. Baby girl please understand I wanna be the one that ever holds you hand. Yea, and show me that you're down for mine. Keep my reservation til the end of time. You're like a treasure I was blessed to find my precious woman. And I'm gonna love you for life.

[Chorus]I wanna love you like you've never been loved. I wanna rock you like you've never been rocked. But I got another deal. Baby tell me how you feel. If I change my world for you, are you feelin' me too?

[Verse 2]Hey girl I'll never leave A perferent is what you need. There's no such thing so I'll do anything to please you.

I know you want me girl and I want you too, feels just like a dream just to be here with you. I would drop in a second just to think you'd be gone, Living a lonely life I just couldn't go on, We felt lost in love from the first time we met, You were so down for me. You showed me much respect. I know it's hard to love a nasty boy like me. You know you had a choice and who you liked was me, Sometimes I wish this world was just me and you. My love is unconditional best believe it's true. I thank the Lord everyday for connecting us two. So tell me Baby girl what you wanna do. Im the one second to none showin much love to you. They wanna know how I'm rollin I'm rollin with you Yea.

[chorus]I wanna love you like you've never been loved. I wanna rock you like you've never been rocked. But I got another deal. Baby tell me how you feel. If I change my world for you, are you feelin' me too?

[Verse 3]You know I'm feelin' you girl. I just can't lie

Things wouldn't be the same without you by my side, I lose my mind every time you come around And Imma do whatever just to prove that I'm down. You broke my game and set new rules, and all I wanna do is just rock with you. Dont't be afraid cause Imma take my time, And before the night is over you gone be just fine.

[chorus]I wanna love you like you've never been loved. I wanna rock you like you've never been rocked. But I got another deal. Baby tell me how you feel. If I change my world for you, are you feelin' me too?
