Melody (Lost Inside The Wonder)

Audio Adrenaline

For so long Ive been sleeping, dead inside
In so many ways, so many ways Ive tried to hide
But You breathed deep into me Your melody
What was life before You? I dont remember
I dont remember life that wayI, I get lost inside the wonder of Your beauty
A melody so sweet Ill sing forever of Your loveIn my ear quietly I hear You sing
And my heart starts to beat inside, the echoes ring
Ive lied to You, Ive lied to You in so many ways
You say, You dont remember, You dont remember
You cant remember me that wayI, I get lost inside the wonder of Your beauty
A melody so sweet Ill sing forever of Your loveSo sweet is the sound, the sound of Your voice
So sweet is the sound of Your melody
So sweet is the sound, the sound of Your voice
So sweetI, I get lost inside the wonder of Your beauty
A melody so sweet Ill sing forever of Your loveIll sing forever of Your love, of Your love
Of Your love, of Your love, of Your love
