In A Bad Way

O'ryan

Yeah, turn me up a lil' bit
Right there, uh
Yo, I never felt this way about a girl before
But I do, uh, listen, uh
See you walk in and I know
I can't even front, girl
I want you to death
And there's nothin' to stop me, girl
A nigga want more than your conversation
Temptations, temptations
See 'cause I may be young but I know
I'm not about to walk away
From this me and you moment
Don't you understand
Might be a reason
There's somethin' between us, girl
I'm likin' your game
Let's play it my way
(Let's play)
Just 'cause I'm young doesn't mean
I don't know how to play
Besides, girl
You got me in a bad way, girl
(And I don't' mind)
I don't mind losin'
Even let you win
'Cause sometimes
Even a real brother gots to say
(That's right, girl)
You got me in a bad way, girl
(Got me in a bad way, girl)
See you laced at the toe
Lookin' good as hell in them jeans
With a body lookin'
Like you need a friend in me, yeah
Ain't even gots to say, say, say
'Cause today lil' O has come here show
The kind of ghetto love
That you ain't seen before, oh no

Kinda modest, that's just me
But I'm gonna play your game like it
(Hey, yeah)
I'm likin' your game
Let's play it my way
(Ooh)
Just 'cause I'm young doesn't mean
I don't know how to play
(Doesn't mean I don't know how to play)
You got me in a bad way, girl
(Bad way, don't mind losin')
I don't mind losin'
Might even let you win
'Cause sometimes even a real brother gots to say
(That's right, girl)
You got me in a bad way
You got me in a bad way, girl
You had me on the worse
But now I'm comin' back
I'm not afraid of losin', girl, yeah
It's how you play the game
And I'ma play it like man
One on one, you down
You see it you that's gon' be winnin'
It's a once in a lifetime thing
So if you play it, play it right
This game is just about fantasy tonight
Play it my way
I'm likin' your game
(Oh, ooh)
Let's play it my way
Just 'cause I'm young doesn't mean
I don't know how to play
(How to play?)
Besides, girl
You got me in a bad way, girl
(Oh, I don't mind losin')
I don't mind losin'
Even let you win
Sometimes even a real brother gots to say
You got me in a bad way, girl
In a bad, bad way
In a bad
(Hey)
In a bad

(Yeah)
In a bad, bad way
(Besides, girl)
You got me in a bad way, girl
(In a bad, bad way)
In a bad
(Hey)
In a bad
(Yeah)
In a bad, bad way
(That's right, girl)
You got me in a bad way, girl
In a bad, in a bad
Besides, girl
You got me in a bad way
