Learning

Jason Gray

I know that fear is a liar
A thief breaking into my heart
He tries to steal all my fire
And shut me down before I even start, yeahI know I can take it everyday
If there's a way you will make it
I won't be afraid
'Cause I be likeYeah
Whatever comes my way
I'm not turning back
Yeah
I know your love won't leave
So I won't worry 'cause
If I fall I win every time I get up again
Yeah
'Cause I can't lose, if I keep learning
I'm learning, I'm learning
I'm learning, I'm learningLet them shout from the bleachers
Every time I don't get it right
I know my failure is my teacher
And I'm still here in the fightI know I can take it everyday
If there's a way you will make it
I won't be afraid
'Cause I be likeYeah
Whatever comes my way,
I'm not turning back
Yeah....
I know your love won't leave
So I won't worry 'cause
If I fall I win every time I get up again
Yeah
'Cause I can't lose, if I keep learning
I'm learning, I'm learning
I'm learning, I'm learningI know I can take it everyday
If there's a way you will make it
I won't be afraid
I know I can take it everyday
If there's a way you will make it
I won't be afraidYeah
Whatever comes my way,

I'm not turning back
Yeah
I know your love won't leave
So I won't worry 'cause
If I fall I win every time I get up again
Yeah
'Cause I can't lose, if I keep learning
I'm learning, I'm learning
I'm learning, I'm learning
