

# Shotgun Down The Avalanche

[Shawn Colvin](#)

I'm riding shotgun down the avalanche  
Tumbling and falling down the avalanche  
So be quiet tonight the stars, shine bright  
On this mountain of new fallen snow  
But I will raise up my voice into, the void  
You have left me nowhere to go  
I love you so much and it's so bizarre  
A mystery that goes on and on and on  
This is the best thing and the very most hard  
Oh, and we don't get along  
After countless appeals we keep spinning our wheels  
On this mountain of new fallen snow  
So I let go the catch and we are over the edge  
You have left me nowhere to go  
I'm riding shotgun down the avalanche  
Sometimes you make me lose my will to live  
And just become a beacon for your soul  
But the past is stronger than my will to forgive  
Forgive you or myself, I don't know  
I'm riding shotgun down the avalanche  
Tumbling and falling down the avalanche  
So be quiet tonight, be sure to step lightly  
On this mountain of new fallen snow  
But I will raise up my voice into the void  
You have left me nowhere to go  
I'm riding shotgun down the avalanche
