

Sunshower

Chris Cornell

Dark as roses, fine as sand
Feel your healing and your sting again
I hear you laughing and my soul is saved
On forgotten graves, you cry Crawl like ivy up my spine
Through my nerves and into my eyes
Cuts like anguish
Or recollections of better days gone by But it's all right
When you're caught in pain
And you feel the rain come down
It's all right
When you find your way
Then you see it disappear It's all right
Though your garden's gray
I know all your graces
Someday will flower
In the sweet sunshower Eyes like oceans so far away
A feather trail to a better way
Worried mornings turn into days
Then into worried nights But it's all right
When you're all in pain
And you feel the rain come down
Oh, it's all right
When you find your way
Then you see it disappear Oh, it's all right
Though your garden's gray
I know all your graces
Someday will flower
Oh, in the sweet sunshower
Oh, in the sweet sunshower
In the sweet sunshower I know all your graces
Someday will flower
In the sweet sunshower
And it's all right
All you'll be you are today, are today
It's all right
All you'll be you are today, are today
