Lookin at You

D-Ground

So nice to meet cha
'Cause everything about cha says you're my type and I love it
So good to see ya
'Cause everything about cha says you're right and I like it
I can't take my eyes off you
Oh, you got me thinking
What I might do if we leave
Leave here together
Oh homie, you're so fine
You're on my mindI ain't gonna lie, you're kinda hot
You got my attention and it takes a lot
Baby, you turn me on
I'm not gonna let cha 'lone
All I want to do is to get to know you better
I'm a ghetto girl that can do whatever
Then say, "It's all good"
C'mon now, yes you wouldI'm looking at chu
Me and my girls
And your homeboys too
I can dig that 'cause I'm into you
So act like you hear me
'Cause I'm hollerin' at chu
So c'mon babyI'm looking at chu
Me and my girls
And your homeboys too
I can dig that 'cause I'm into you
So act like you hear me
'Cause I'm hollerin' at chu
So c'mon babyI can hold you down if you let me
Baby, I'm a rider
And I'm a good girl
I'm rollin', you can't live without it
Let me break it down
Now you're a nice girl
She's in the past girl
But if I'm next
I'll swear I'll be your last girl
Now don't chu go thinking' I'm a fast girl
But I'm that girl, ohhI ain't gonna lie, you're kinda hot

You got my attention and it takes a lot
Baby, you turn me on
I'm not gonna let cha 'lone
All I want to do is to get to know you better
I'm a ghetto girl that can do whatever
Then say, "It's all good"
C'mon now, yes you wouldI'm looking at chu
Me and my girls
And your homeboys too
I can dig that 'cause I'm into you
So act like you hear me
'Cause I'm hollerin' at chu
So c'mon babyI'm looking at chu
Me and my girls
And your homeboys too
I can dig that 'cause I'm into you
So act like you hear me
'Cause I'm hollerin' at chu
So c'mon babyBoy, yes you is
I can see it in your eyes
That you need a girl who's
Gonna have you right by luvin' you baby

How I feel!
I won't let chu hide from me
'Cause I know it's alright for me, yeahI'm looking at chu
