

Pyrokinesis (Various Live Tracks 87/89)

Sacrifice

I feel the fire burn my mind
Infared thoughts sent through me
Armed with burning intellect
Destroy and let my power freePyrokinesisChild prodigy of the abyss
When the red light filled my eyes
Mental abilities unlimited
Flame burns whoever definesPyrokinesisBurning eyes
Screaming cries
Telepathy dies
DestroyKill with psychic command
No one can withstand the heat
Their inferior brains alight
Hells brainstorm defeats
