

Runaway (Alan Braxe & Fred Falke Remix)

Jamiroquai

Can you dig it?
Something in the air tonight
Got a one way ticket
Baby, don't you wanna ride?
Got to make it
Make it to the other side
I've got demons
Snapping at my heels tonight I just want to runaway
Turn me loose
Got people around running me down, I can't stay
Woo
I just want to get away
I just want to get away now
Get them off my back today Can you feel it?
I'm stuck inside in a hurricane
Chasing rainbows
Can't you see I'm going insane?
I wanna be a free man
But I'm spinning on this crazy wheel
I'm jumping for the high bar
Can't you dig it?
No longer know what I feel
Can't you see? I just want to runaway
Turn me loose
Got people around running me down, I can't stay
I just want to get away, I just want to get away now
Get them off my back today I just wanna runaway
Turn me loose, turn me loose
Turn me loose, turn me loose Got to make it, got to make it
Got to break it, got to make it I just want to runaway
Just want to runaway
Got people around running me down, I can't stay
Can't stay here long now
I just want to get away
I just got to get away
Get them off my back today
Woo I just want to runaway
La la la la la la
Just want to get away

La la la la la la
Turn me loose, runaway, runaway
Got people around running me down, I can't stay
Runaway, runaway I just want to runaway
La la la la la la
Just got to get away
La la la la la la
Turn me loose, runaway
Get them off my back today
