

Punching in a Dream

The Naked and Famous

[ALISSA:]

All the lights go down as I crawl into the spaces

Fight, flight or the screams

Life tearing at the seams(Wait) Way-yay-yay-yay-yaytt

I don't ever wanna be here

Like punching in a dream breathing life into my nightmare

hoo-hoo-hoo-woo-ooIf it falls apart

I will surely wake it

Bright lights turn me green

This is worse than it seems

hoo-hoo-hoo-woo-oo(Wait) Way-yay-yay-yay-yaytt

I don't ever wanna be here

Like punching in a dream breathing life into my nightmare[THOM:]

Theyll get through; theyll get you

In the place that you fear it the most

In the corner, where its warmer

In the face that you wish was a ghost

Wo-oah

Wo-oah

Wo-oah, wo-oah

Wo-oah

Wo-oah

Wo-oah, wo-oah[ALISSA:]

(Wait) Way-yay-yay-yay-yatt

I don't ever wanna be here

Like punching in a dream breathing life into my nightmare(Wait) Way-yay-yay-yay-yatt

I don't ever wanna be here

Like punching in a dream breathing life into my nightmare
