

# Candles

**Jon Hopkins**

You're going down and it feels good  
But you ain't wearing what you should  
All the people that you've had  
The time is over  
Count your blessings, count the times  
You forgot their names commit the crimes, yeah  
All the people that you've had  
The time is over  
Oh, it's time to make amends  
You've been burning the candle at both ends  
Oh, it's time to make amends  
You've been burning the candle at both ends  
Oh, it's time to make amends  
You've been burning the candle at both ends
