

# Faster

**Matt Nathanson**

You're so delicious, you're so soft  
Sweet on the tip of my tongue  
You taste like sunlight  
And strawberry bubble gum You bite my lip, you spike my blood  
You make my heart beat faster Own me, you own, you rattle my bones  
You turn me over and over till I can't control myself  
Make me a liar, one big disaster  
You make my heart beat faster It's the way you swell, slow  
Pushing right out your seams  
It's the way you smile, baby  
When you've got me on my knees You're all night noise, you're sirens howl  
You make my heart beat faster Own me, you own, you rattle my bones  
You turn me over and over till I can't control myself  
Make me a liar, one big disaster  
You make my heart beat faster 'Cause I jump back, crash, I crawl  
I beg and steal, I follow you  
Yeah, you own me  
And you make my heart beat faster I can't get enough because it's on like  
I guess this world is over to me You own me, you own, you rattle my bones  
You turn me over and over till I can't control myself  
Make me a liar, one big disaster  
You make my heart beat faster
