

Tiger

ABBA

The city is a jungle, you better take care

Never walk alone after midnight

If you don't believe it you better beware of me I am behind you, I always find you, I am the tiger

People who fear me never go near me, I am the tiger The city is a nightmare, a horrible dream

Some of us will dream it forever

Look around the corner and try not to scream, it's me I am behind you, I always find you, I am the tiger

People who fear me never go near me, I am the tiger Yellow eyes are glowing like the neon lights

Yellow eyes, the spotlights of the city nights I am behind you, I always find you, I am the tiger

People who fear me never go near me, I am the tiger The city is a prison, you never escape

You're forever trapped in the alleys

Look into the shadows and you'll see the shape, of me I am behind you, I'll always find you, I am the tiger

People who fear me never go near me, I am the tiger Yellow eyes are glowing like the neon lights

Yellow eyes, the spotlights of the city nights I am behind you, I'll always find you, I am the tiger

People who fear me never go near me, I am the tiger And if I meet you, what if I eat you, I am the tiger

I am behind you, I'll always find you, I am the tiger

Tiger, tiger, tiger
