# I Feel Good

## Thomas Rhett

Ray Bans on that sky is blue
Cannonball into the pool
Drink in hand goin' act a fool like sha la la
Boombox playin' that third eye blind
Wife is sippin' that rose wine
I just lost all track of time like sha la laMy truck A/C is broken
That Georgia breeze is blowin'
I'm feelin' easy goin' that's rightI feel good, today
Can't nobody bring me down
And I just got paid, and I think I'm gonna hit the town
Yeah my problems can wait 'til tomorrow
'Cause I feel good today yeah
Can't nobody bring me down, down, down, down, down
Can't nobody bring me down, down, down, down, down
Can't nobody bring me(Uh excuse me can someone bring the beat back)My team won in overtime
And I'm three sheets on bud light lime
Don't taste good but that's alright now
And it ain't even Saturday
But I'm gonna celebrate
So don't you rain on my parade now, no noMy truck A/C is broken
That Georgia breeze is blowin'
I'm feelin' easy goin' that's rightI feel good, today
Can't nobody bring me down
And I just got paid, and I think I'm gonna hit the town
Yeah my problems can wait 'til tomorrow,
'Cause I feel good today yeah,
Can't nobody bring me down, down, down, down, down
Can't nobody bring me down, down, down, down, down
Can't nobody bring me down, down, down, down, down
Can't nobody bring me down, down, down, down, down
Can't nobody bring meDown I feel good, James Brown
Turn the lights low turn the music up loud
Got a good party goin' on back at the house
Bunch of big booty girls yeah they come from the south
The good vibes when you feelin' it
Whoever made potato salad put they foot in it
And I know we ain't the same yeah we different
But we all stay connected like the internetI got no motivation
Except for recreation

Feels like I'm on vacation (that's right)I feel good, today
Can't nobody bring me down
And I just got paid, and I think I'm gonna hit the town
Yeah my problems can wait 'til tomorrow
'Cause I feel good today yeah
Can't nobody bring me down, down, down, down, down
Can't nobody bring me down, down, down, down, down
Can't nobody bring me down, down, down, down, down
Can't nobody bring me down, down, down, down, down
Can't nobody bring me
