

# Paradise (Prod. By ESTA.)

[Alina Baraz](#)

Let me go, let me go, let me go far  
Taste all your thoughts  
Travel across your mind, get lost  
Making me feel so alive  
Breathe you in, I'm getting high  
Breathe you in, I am getting so high  
Boy'd you be my paradise?  
Would you be my paradise?

Would you? Would you? Oh, would you? Would you be my paradise?

What you do, what you do, what you do to me?  
Oh the way you move, making me feel so alive  
Breathe you in, I'm getting high  
Breathe you in, I am getting so high  
What you do, what you do, what you do to me?  
What you do, what you do, what you do to me?  
Boy'd you be my paradise?  
Would you be my paradise?

Would you? Would you? Oh, would you? Would you be my paradise?

What you do, what you do, what you do to me?  
Oh, the way you move, making me feel so alive  
Breathe you in, I'm getting high  
Breathe you in, I am getting so high  
What you do, what you do, what you do to me?  
What you do, what you do, what you do to me?
